How to Update an Email or SSN in Salesforce

- Email Updates:
  - Reach out to servicedesk@cydcor.com and provide the rep's first and last name as well as the email address that you would like on file for the rep.
- SSN Update:
  - Reach out to servicedesk@cydcor.com and provide either a picture of the rep's social security card or any government issued tax document where the social security number is provided (i.e. W4).
